Acceptance

By signing this part of this Form of Offer and Acceptance, the Employer identified below accepts the tenderer's offer. In consideration thereof, the Employer shall pay the Contractor the amount due in accordance with the conditions of contract identified in the contract data. Acceptance of the tenderer's offer shall form an agreement between the Employer and the tenderer upon the terms and conditions contained in this agreement and in the contract that is the subject of this agreement.

The terms of the contract are contained in:

Agreements and contract data (which includes this agreement)
Pricing on a company letter head
Scope of work
Questionnaire

and drawings and documents or parts thereof, which may be incorporated by reference into Parts 1 to 4 above.

Deviations from and amendments to the documents listed in the tender data and any addenda thereto as listed in the tender schedules as well as any changes to the terms of the offer agreed by the tenderer and the employer during this process of offer and acceptance, are contained in the schedule of deviations attached to and forming part of this agreement. No amendments to or deviations from said documents are valid unless contained in this schedule.

The tenderer shall within two weeks after receiving a completed copy of this agreement, including the schedule of deviations (if any), contact the employer's agent (whose details are given in the contract data) to arrange the delivery of any bonds, guarantees, proof of insurance and any other documentation to be provided in terms of the conditions of contract identified in the contract data. Failure to fulfil any of these obligations in accordance with those terms shall constitute a repudiation of this agreement.

Notwithstanding anything contained herein, this Agreement comes into effect on the date when the tenderer receives one fully completed original copy of this document, including the schedule of deviations (if any). Unless the tenderer (now Contractor) within five working days of the date of such receipt notifies the Employer in writing of any reason why he cannot accept the contents of this agreement, this agreement shall constitute a binding contract between the parties.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.

- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

(Name of Municipality / Municipal Entity)

do hereby make the following statements that I certify to be true and complete in every respect

4. The bid has been submitted after the relevant closing date and time.
5. If any bidder who during the last five years has failed to perform satisfactorily on a previous contract with the municipality, municipal entity or any other organ of state after written notice was given to that bidder that performance was unsatisfactory.
6. The accounting officer must ensure that irrespective of the procurement process followed, no award may be given to a person –
 - (a) who is in the service of the state, or;
 - (b) if that person is not a natural person, of which any director, manager, principal shareholder or stakeholder, is a person in the service of the state; or;
 - (c) Who is an advisor or consultant contracted with the municipality in respect of contract that would cause a conflict of Interest.
7. Bid offers will be rejected if the bidder or any of his directors is listed on the Register of Bid Defaulters in terms of the Prevention and Combating of Corrupt Activities Act of 2004 as a person prohibited from doing business with the public sector
8. Bid offers will be rejected if the bidder has abused the Umzimvubu Local Municipality Supply Chain Management System.
9. Failure to complete and sign the certificate of independent determination or disclosing of wrong information. Failure to submit the above will lead to immediate disqualification.

TERMS OF REFERENCE FOR THE APPOINTMENT OF A SERVICE PROVIDER FOR THE “UMZIMVUBU ENTREPRENEURSHIP DEVELOPMENT PROGRAMME”

1. BACKGROUND AND OVERVIEW OF THE PROJECT

1.1 INTRODUCTION

The Umzimvubu Local Municipality is within Alfred Nzo District Municipality (ANDM) which is located in the North-Eastern part of the Eastern Cape Province in South Africa, as shown in Figure 1.1 below. The District forms part of the Eastern Cape Province's boundary with the Kwa-Zulu Natal province. The District borders the Kingdom of Lesotho to the north and the district of OR Tambo in the Eastern Cape and Harry Gwala District in Kwa-Zulu Natal. The Umzimvubu Local Municipality is constituted amongst the four local municipalities within the ANDM, others being Matatiele, Mbizana and Ntabankulu Local Municipalities.

Figure

1.1: Alfred Nzo in the Eastern Cape Province and Umzimvubu Local Municipality

Umzimvubu Local Municipality is located in one of the poorest regions of South Africa within the Alfred Nzo District Municipality in the northeastern part of the Eastern Cape Province. It stretches from a border with KwaZulu-Natal to adjacent municipalities of Matatiele, to the north, Ntabankulu and Mbizana to the South as well as Mhlontlo Local Municipality within the OR Tambo District Municipality to the west. The major national road, N2, passes through the municipality and it is one of the busiest transport and passenger routes in the country.

The locality of ULM is faced with a great number of socio-economic challenges. The region is characteristic of high poverty and unemployment levels and low education and skills level.

The support that the South African government provides for small, medium and micro enterprises (SMMEs) is widely acknowledged as the country's effort towards economic restructuring and poverty alleviation. This acknowledgement results from governments' political and legislative commitment, through policy and strategy, to ensure that SMME development is viable. SMME development in local government typifies part of a local economic development (LED) strategy that aims to, among other priorities; achieve the local government's constitutional mandate to promote economic development.

Umzimvubu Local Municipality asserts that SMME development plays a vital role in its local and regional economic development – particularly in the restructuring of the economic-base of its municipality. Umzimvubu Local Municipality is an entity of local government, any restructuring effort undertaken in respect of them will affect the character of local government in its entirety.

A qualitative research method that is premised on a comparative analysis of SMME development and spatial features in towns and townships are used as the basis for the conclusions arrived the need to capacitate SMMEs in areas that will strengthen their development as well as economic viability. Umzimvubu Local Municipality proposes an SMME development intervention to restructure and consolidate the economic base of its area.

1.2 OVERALL OBJECTIVE AND SPECIFIC OBJECTIVES OF THE PROJECT

1.2.1 Overall objective

As indicated in the SMME Development and Support Policy of the Umzimvubu Local Municipality, the LED & EM department is mandated to promote, support and facilitate the creation of an enabling environment to support the development and growth of a vibrant and sustainable small business sector at Umzimvubu. The policy specifically seeks to achieve the following:

- To encourage the culture of entrepreneurship
- To improve access to business information
- To facilitate access to skills training and support
- To improve access to appropriate infrastructure and services
- To improve access to markets and business opportunities

1.2.2 Specific Objectives

To capacitate 30 SMME's that have been part of the ULM LED Mentorship Programme in the last financial year 2021/2022.

Some of the specific objectives of the project are aimed at:

- Strengthen Local SMME Development and Support System
- Facilitating Access to Research and Information
- Facilitating Access to Markets
- Facilitating Access to Finance

2. Purpose of the Project

The purpose of the project is to appoint a suitably qualified professional service provider to conduct training of 30 local individuals to become Entrepreneurs.

3. Scope of Work

Based on the capacity assessment of SMME as well as through consultation with Local SMMEs, the service provider will design and implement a training programme for 30 SMME's keeping in view efficiency and impact of the training in the following areas:

3.1 Entrepreneurial Skills: Upgrading skills that can be a key channel to improve productivity and incomes in the informal economy and open opportunities to link with the formal economy.

3.2 Access to Finance: When it comes to delivering business solutions it is not one size fits all. The small business market needs solutions tailored for their specific needs. The problems faced by start-ups and small business are very different to those encountered by big business.

3.3 Marketing Skills: Every business needs to successfully market their products and services. Marketing is a critical tool for establishing awareness, attracting new customers and building

lasting relationships. When done effectively, marketing can help you increase sales and establish your competitive advantage.

3.4 Development of a Business Plan: The business plan is the key ingredient for a successful business and is often ignored. This session will capacitate SMMEs on how to create an individualized business plan and provides the tools to make it easy.

3.5 Financial Management: Quality financial management offers many benefits to you as a business owner. Financial management includes bookkeeping, projections, financial statements, and financing, which forms the foundation for reaching your goals through sound business decisions.
