THE DEPARTMENT OF HEALTH HELD MENTAL HEALTH AWARENESS AT SOPHIA PARK

By Sivuyile Rosho

The Department of Health hosted a mental health awareness programme at Sophia Park in KwaBhaca on the 24th of October 2023, wherein services on wheels were also rendered to the public.

The Department of Home Affairs, SAPS, Education, SASSA, and Social Development were among the invited stakeholders. These departments engaged community members and provided responses to frequently asked questions.

"Mental health is something that affects everyone not only certain people but most tend to be afraid to seek professional help and talk about their health issues or their affected relatives for the fear of being judged. Depression, stress and working under a toxic environment can also affect your health which is why all of these are considered as mental health issues", said Madzikane Kazulu Memorial Hospital Clinical Manager, Dr Tshoba.

Miss Ncwayiba who is a teacher at Nolitha Special school said, "should a parent notice that his/her child is a slow learner, she/he must seek professional help because his/her child is not sick but requires a special school like Nolitha where the child can learn basic skills that will assist him/her".

She concluded by adding that parents should not be ashamed of their children because they do not know what they are capable of once they have been exposed to teachers who understand their conditions and are trained to be in the field to assist such children.

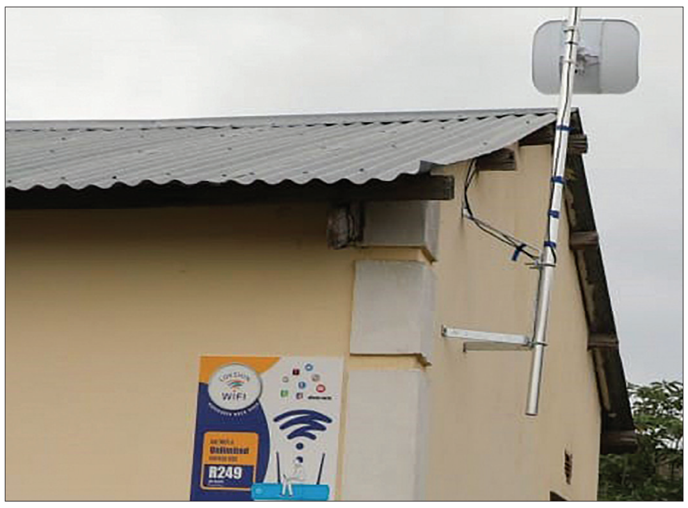
SENTECH LAUNCHES PHASE TWO OF SA CONNECT IN EMAXESIBENI.

Ngu Sivuyile Rosho



Communications and Digital Technologies Minister, Mondli Gungubele, has officially launched the SA Connect Phase 2 project at Bhonga Village in EmaXesibeni (formerly Mount Ayliff), under the Afred Nzo District Municipality.
The project is aimed at providing core and access network infrastructure to enable broadband connectivity to community Wi-Fi hotspots that will connect households.
The Department of Communications and Digital Technologies (DCDT) said that SA Connect is a national project that galvanises the capability, resources, and energy of public and private sectors towards realising a bold vision of a connected society through extending connectivity to all schools, health facilities, and government facilities.
To date 4 565 households and 124 community Wi-Fi hotspots have been connected in 11 district municipalities across South Africa. Gungubele launched the second phase of the project on November 3.
"Through the project we want to dispel the notion that access to digital technologies and the internet is only possible in developed cities. Villages in EmaXesibeni are already reaping the benefits of having access to the internet.
"Small business owners are telling us that they have increased their customer base by having access to the internet and are able to do banking and access government services in their homes," said Gungubele, as he reflected on the value the project was adding to communities and small businesses.
Gungubele said that their target was to have 1.4 million households connected to the internet by June 2024, while the State Information Technology Agency will connect 14 000 government facilities through the project.
Local chief, Nkosi Zanoxolo Fikeni, who is a beneficiary of the SA Connect Project, said having access to the internet has made his life very easy.
EmaXesibeni small business owner, Tumelo Gwangqa, who operates a local Shisa Nyama, added that having wireless internet connectivity has had a positive impact on his business, as customers were able to place orders remotely using various social media platforms.

TEXTILE CO-OP AT EASE AFTER ASSISTANCE BY THE MUNICIPALITY

By Khanya Kalashe

In an effort to promote the local textile industry, Umzimvubu Mayor Cllr Zukiswa Ndevu visited the Sobhuza Ka Swazi Cooperation in ward 01, EmaXesibeni on the 21st of November 2023. The visit was conducted as part of her project monitoring and oversight walk about to major initiatives and projects.
"The textile industry is among the most valued industries in KwaBhaca and EmaXesibeni. This is why we continue to support cooperatives like Sobhuza Ka Swazi and many others with machinery to the value of R50 000. Our intention is to provide our local SMMEs with a platform to become self-sustainable and to create job opportunities. Whilst there's more that needs to be done, Asimanga Siyaqhuba (the work continues)". Said Umzimvubu Mayor Councillor Zukiswa Ndevu.
An excited Nomxolisi Mabhanya, a 47 year old, couldn't hold back her tears and said "i'm grateful for the support that we have received from uMzimvubu Local Municipality. For years we have been using limited machinery with a very high demand of supplies. The donation of these machines from the municipality will ease the strain and possibly create jobs for our people in the village". Concluded Mabhanya.
The cooperative that began with only one person grew to five people by 2021. The Municipality further incorporated the group into a designer mentorship program, where they were equipped with textile and designer skills. Four machines have since been donated to the value of R50 000 as part of the LED SMME support programme.
The Municipality remains committed to grow the local economy and further contributes towards a positive local government narrative.

PHEPHENI SPORTFIELD TO COMPLETE PHASE TWO IN APRIL 2024

By Khanya Kalashe

On the 21st of November 2023 uMzimvubu Local Municipality Mayor visited Phepheni Sport Field at EmaXesibeni ward 01. The multi-million-rand project that first commenced in 2022/2023 financial year, is expected to complete phase 2 during the Month of April 2024.

"As government, our duty is to provide sport facilities, allocate grants for developing infrastructure, making funds available for specialised programmes for the overall development of sports. This is a collective effort from different government stakeholders and structures, and I am pleased with the overall progress of this infrastructure" said the Mayor Cllr Z. Ndevu.

Phase 2 of this project includes the construction of a drainage system, installation of high-mast floodlights, grandstands, parking area and driveway that leads to the facility. Atleast 12 people with labour intensive skills were employed for the duration of this ongoing phase.

"We feel happy about this sport development in our area because this means we will now have a place for recreational activities. This will not only keep us away from substance abuse, but it will also allow us to exercise more often. I do however think, it is time for the Municipality to wrap up, so that we can finally play our matches here" concluded Mbawu, a resident in the area.

During the Mayor's oversight visit, she also interacted with community members in a bid to address their challenges. A learner from Senyukele Senior Secondary School Olinda Msitshana who is 17 years old, said he can no longer wait for the ceremonial handover for this facility, as they will now be able to play their home games here without travelling to far outer areas.

Zimbini iiprojekthi ezithe zaxhamla ngokwezixhobo zokusebenza, izithole kunye nezichumisi.

ObenguSodolophu wosuku uCeba Ntombizandile Garane ngethuba esothula intetho yakhe uphefumle wenjenje "Le yinkqubo athi loMasipala ayiqhube minyaka le ukukhawulelana namakhaya angathathi ntweni ngelixesha leeholide, kaloku iKrisimesi lixesha lokonwaba nosapho nitye izimuncu-muncu, ngokwenjenje singuloMasipala sithi kwabo bathe baxhamla mabaye kuthenga kufudumale emizini nakumakhaya wabo". Lo ka Garane uwukhalimele nomkhuba wokuhlukunyezwa kwabantu abadala wokuthi kuthathwe imali zabo zenkam-nkam zisetyenziswe ngeendlela ezigwenxa etsho esithi baze babeliliso kwesisipho mali basinikwa nguloMasipala", uqukumbele watsho lo ka Garane.

Inkonde ethe yaxhamla utata uRobert Manciya uthe ubulela kakhulu ngento ethe yenziwa nguloMasipala kuba naye uzotsho abenayo imali yokonwabela iKrisimesi nosapho lwakhe nanjengoko le yenkam-nkam ibisele iphelile imali.
