Reviwal of LED Strategy

Introduction:

The LED Strategy for Umzimvubu Local Municipality was developed in 2007. With the passing of time the need to update and review the strategy has been identified. The review of the Umzimvubu LED Strategy is a project funded by the Department of Local Government and Traditional Affairs and project managed by the Alfred Nzo District Municipality on behalf of the beneficiary, the Umzimvubu Local Municipality. Urban-Econ Eastern Cape, an Economic Development consultancy firm was appointed to undertake the review of the Umzimvubu LED Strategy.

The LED Strategy served as a review and update of the 2005 LED strategy, and was developed in the context of a dynamic regional economic landscape that has been affected by macro- and micro level developments between 2005 and 2011. Some projects, programs and interventions were identified and the implementation is as follows:

2. Current Projects

LED Currently is implementing the following projects:

- Pole Treatment Plant
- Bio-gas
- Ploughing of Maize Fields
- Farmer Mentorship Program
- Agricultural show
